

Grapefruit Granita with Raspberries Recipe

Ingredients:

100g sugar
¼ cup water
2 cups fresh grapefruit juice

Garnish:

raspberries, mint leaves

Method:

Bring sugar and water to the boil. Simmer for 2-3 minutes until sugar dissolves. Transfer to a container. Leave it to cool. Pour in grapefruit juice and mix well. Freeze 6 to 8 hours or overnight until set. To serve, scrape out the ice crystals with a fork and transfer into a glass. Garnish with raspberries and mint leaves. Serve cold.
